MEMORANDUM FOR: Chairman, Utilization Advisory Board

ATTENTION: TALENT Control Officer, CIA

SUBJECT: Revision B - TCS-2968-58,
Sanitization and Handling Procedure, [REDACTED]
and Middle East Photography

c. TCS-2968-58

1. The TALENT Security Officer, CIA concurs in the revised policy document TCS-2968-58 as written providing the following recommendations are taken into consideration:

- a. Paragraph 1 and 1.a. read to include "SECRET/NOFORN (CONTINUOUS RECEIPT REQUIRED)."
- b. Paragraph 5 include for Middle East sanitized material to bear the security classification "SECRET/NOFORN [REDACTED]/CONTINUED CONTROL" or "(CONTINUOUS RECEIPT REQUIRED)."

2. a. The reason for the use of "CONTINUED CONTROL" is because other sanitized prints previously authorized by the Utilization Advisory Board for Middle East did have the security classification "SECRET/NOFORN/CONTINUED CONTROL."

b. Insomuch as the Army, Navy and Air Force (USA) are required to obtain receipts for material classified "SECRET," there is no objection to the classification "SECRET/NOFORN (CONTINUED RECEIPT REQUIRED);" however, we have no assurance that [REDACTED] is bound by similar defense security regulation, therefore, it is preferable that select Middle East sanitized products bear the security classification "SECRET/NOFORN [REDACTED] CONTINUED CONTROL."
